Perfection 1260

EPSON
Perfection 1260 PHOTO

Looking for affordable, user-friendly solutions for high-speed, high-quality scans? Meet the EPSON Perfection® 1260 and the EPSON Perfection 1260 PHOTO, two premium quality scanners that offer simple, cost-effective ways to scan photos, text, or graphics at home, school, or office. With 1200 x 2400 dpi resolution and true 48-bit color depth, these two models consistently deliver rich, colorful results.

Each scanner provides a host of intuitive features for optimum performance. Automated, 4-button scanning

lets users easily start up and proceed—scanning images to an e-mail software program, a scan-to-copy utility, or Epson's photo-sharing web site. Additional included software provides more creative possibilities, plus the option to edit scanned-in text.

For added versatility, the EPSON Perfection 1260 PHOTO includes a 35mm slide adapter unit for scanning slides and negatives. The EPSON Perfection 1260 offers the adapter as an optional accessory.

The perfect partner to an EPSON Stylus® ink jet printer, each model offers the ideal solution for making spectacular duplicates and enlargements. And, convenient USB connectivity makes each compatible with most any Windows® or Macintosh® system. With such astounding image quality, speed, and versatility, at a very competitive price, it's easy for anyone to build their creative scanning capabilities.
