Push & Save

• Toner Save

Samsung's ASIC chip technology reduces toner usage by controlling the size of each printed dot making it ideal for printing drafts. Printouts in Toner Save mode are slightly lighter but with the same accuracy as in normal mode. Simply push the Toner Save Button and save on printing costs.

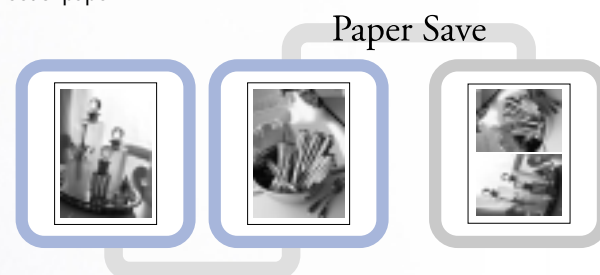

• Power Save

Reduce power consumption when not in use by simply pressing the Power Save button

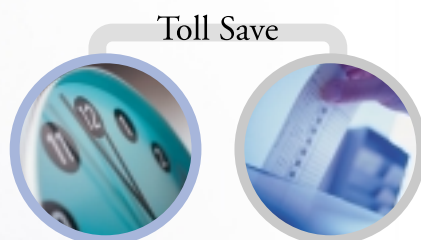

• Paper Save

You can copy & fax 2 pages onto 1 sheet of paper (2-up copy / fax)

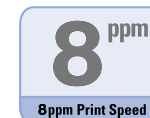

• Toll Save

Allows delayed transmission of a stored document at a discounted tariff rate from the telecom provider. You can set up the time zone depending on the discount tariff period.

Powerful Performance

- 33.6Kbps Super G3 Fax Modem
- 3 sec. Quick Scan Speed (SF-531P)
- 8ppm Printing Speed
- Real 600dpi Printing Resolution
- 64 Levels Gray Scale

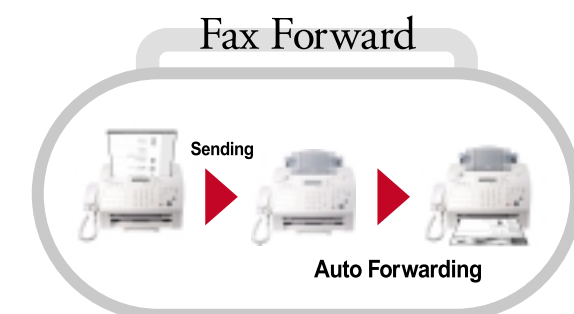

Advanced Features

• Fax Forward

Reserves your fax messages and sends them to a pre-arranged number so that you can receive important fax message wherever you are.

• Low Toner Notification

If the toner is low, SF-530/531P will send the information to your dealers, so that they can inform you of the low toner level and purchasing information. This feature will prevent you from missing important fax messages due to an empty toner.

Easy-to-Use

• Useful Telephone Feature

- Built-In-Handset
- Enhanced Memory Dial : Easy to dial with 20 one-touch and 80 coded speed dials
- On-Hook Dial : Dial the telephone numbers without picking up the handset.

• Battery Back-up

- Prevent any loss of fax data stored from sudden power failure for 30min.(Maximum)

• Image TCR

- Transmission Confirmation Report : Automatically print confirmation report including the 1st page image if an error occurred.
